HOUSE OF COMPUTERS

Quality Laptops, Desktops, Accessories, Repairs & Delivery

Serving Customers All Over Uganda

QUALITY YOU CAN TRUST • PRICES YOU CAN AFFORD

About House of Computers

House of Computers is a trusted computer shop and service centre serving customers all over Uganda. We provide reliable laptops, desktop computers, printers, accessories and expert technical support for students, businesses, institutions and home users.

Our goal is simple: to help every customer get a dependable computer at a fair price, with honest advice and professional after-sales support. Whether you are buying your first laptop, upgrading an old computer, or need urgent repairs, House of Computers is ready to serve you.

What We Offer

- Brand new and UK-used laptops and desktop computers
- Computer repairs, troubleshooting and general maintenance
- RAM, SSD, battery and hardware upgrades
- Windows installation, software setup and virus removal
- Printers, chargers, keyboards, mice and computer accessories
- Fast and convenient delivery around Ishaka and Bushenyi

Why Choose Us

- Quality computers and original accessories
- Fair, customer-friendly prices
- Professional repairs and upgrades
- Fast delivery within Ishaka and Bushenyi
- Honest advice before and after purchase
- Trusted local service you can rely on

Our Promise

At House of Computers, we believe that a good computer should be affordable, reliable and supported by people who understand technology. We take time to understand each customer’s needs and recommend the right computer, accessories or repair solution for their budget.
